Dear Mrs. Qamar:

I want to express my most condolences on the recent passing of your husband, Dr. Mehdi Ali Qamar. He was a servant who sought to use his medical skills to assist others during their times of pain, illness and despair. Our world is better because of the contributions made by people such as your late husband.

While he is no longer present to be with and your children, I am prayerful that the rich memories that remain will sustain you. Life is but a brief moment in the history of the ages.

The moments that were given to Dr. Qamar were utilized well, and his work and his life will always be cherished by you, your children, and all of those who crossed his path.

Sincerely,

A handwritten signature in blue ink that reads "Eddie Bernice Johnson".
